User's address

1. Object of the contract

- 1.1 Object of the contract is providing support and maintenance of FINE software (GEO5), which is used by the User according to the Licence terms and conditions. The agreement includes all programs owned by the User.
- 1.2 The supplier undertakes to provide the following services for an annual flat rate without charging any other fees:
 - a) Customer support (technical hotline and professional engineering assistance) via e-mail, telephone or personally in supplier's offices. Hotline is provided in Prague on workdays from 9:00 to 12:00 and from 13:00 to 16:00 (Central European Time Zone), or through Fine dealer's support lines, when applicable.
 - b) Updates and upgrades of current version of the program (including new or modified documentation) via internet. Download and installation of updates and/or upgrades are performed by the User. Updates and/or upgrades on a CD can be shipped to customer only on a request and are not an object of this contract.
 - c) Update and upgrade (including new or modified documentation) of the other versions, which were introduced during validity period of this agreement. Documentation is provided only in electronic form (printed documentation is not included in price of the software and it is not an object of this contract).
- 1.3 Other services such as installation, trainings, travelling costs, hardware services and other material costs are not objects of this contract.

2. Price and payment conditions

- 2.1 Price of the provided services is 15 percent of the current price of all purchased licenses excluding volume discounts given at the time of purchase.
- 2.2 The fee for the services is payable for a period of one year from the date of maintenance purchase and is due according to the proforma invoice issued by the Supplier. The price for services is calculated according to the current price list valid on the date of issuing the proforma invoice. The Supplier sends the invoice to the User at least 14 days prior to its due date.

3. Validity period of the agreement

- 3.1 The agreement is concluded for indefinite period.
- 3.2 The agreement can be terminated by a written notice of the User delivered by email before the end of the period, for which the service was paid according to par. 2.2
- 3.3 The agreement comes to effect by the day of paying the invoice for services by the User using traditional ways or Supplier's online shop.

4. Warranties

- 4.1 The Supplier is responsible for User's damages only in case of claim for negligence or intentional damage. The warranty does not include any consequential damages such as lost profit, business losses, data losses etc. The liability is limited to the paid annual service fee.

5. Other terms

- 5.1 The agreement can be modified only in written form.
- 5.2 The agreement is done in two copies, one of which is issued to the User and the other one belongs to the Supplier.
